Recital Volunteer Sign-Up

Parent/family volunteers are a very important component to a magical performance for our dancers and our audience! This year we will be needing class chaperones for each class.

Class chaperones are responsible for the care and safety of the dancers from the point of check-in, supervising the dancers during rehearsal and performance, and staying with their dancers until every dancer has been checked-out after the show. Tasks include assisting with bathroom breaks, costume adjustments, and helping dancers to and from the stage. **Only NB staff and class chaperones will be allowed in the backstage area, so these volunteers get a very special and unique view of the performance!**

Show Day Procedure

When is Dress Rehearsal?

Dress rehearsal is immediately before each performance. Dress Rehearsal is a very important part of the Recital experience because it is the first time the dancers will perform full-out in their costume with their hair and makeup complete, and they will get a feel for the stage before the performance.

Where is Dress Rehearsal?

The Dress Rehearsal and the Spring Recital are at the Ferst Center at GA Tech.

What time do I arrive at Dress Rehearsal?

Please see the following pages for dancer drop off/check-in times.

What will the drop-off process look like for my dancer?

Upon check-in, you and your dancer(s) will be greeted by some friendly NB faces! We will check-in your dancer and have them on their way to dress rehearsal. Please be sure to drop off your dancer at their ASSIGNED CHECK-IN TIME! Upon check-in at the recital, you will receive a color-coded sticker that matches your dancer's dismissal zone. Please place this sticker on your shirt/top – it will need to be displayed prominently for the dismissal process.

Should my dancer arrive to Dress Rehearsal in costume?

Please have your dancer 100% ready for the show when you drop them off at the theater. This includes costume, hair, and makeup!

Can I stay during the dress rehearsal?

Once you check in your dancer, we ask that you leave the theater and enjoy some downtime before the lobby opens back up before the show.

Can I go backstage or to the dressing room to assist my dancer?

The class chaperones are the only parents allowed backstage. The chaperones will have a backstage pass to all the action and will be able to watch their dancers from the wings. It's a really special point of view!

How long is the show?

The show will be around 1 hour and 15 minutes in duration. Expect additional time post-show for dismissal and departure.

How does dismissal work?

Please see the NEXT PAGE for full dismissal procedure.

Thanks for honoring these policies – they are for the safety and security of our dancers!
Enjoy the show!

Dismissal Procedure

Color Zone Assignment: Each dancer's class has been assigned a specific color zone for dismissal. You will find detailed instructions for these zones on the following page of the handbook.

Map and Pickup Locations: A map is provided below, featuring color circles that correspond to each class's assigned zone. Use this map to identify the exact location where you will pick up your dancer after the recital.

Color-Coded Sticker: Upon check-in at the recital, you will receive a color-coded sticker that matches your dancer's dismissal zone. The person responsible for picking up the dancer must display this sticker prominently for easy identification by our staff.

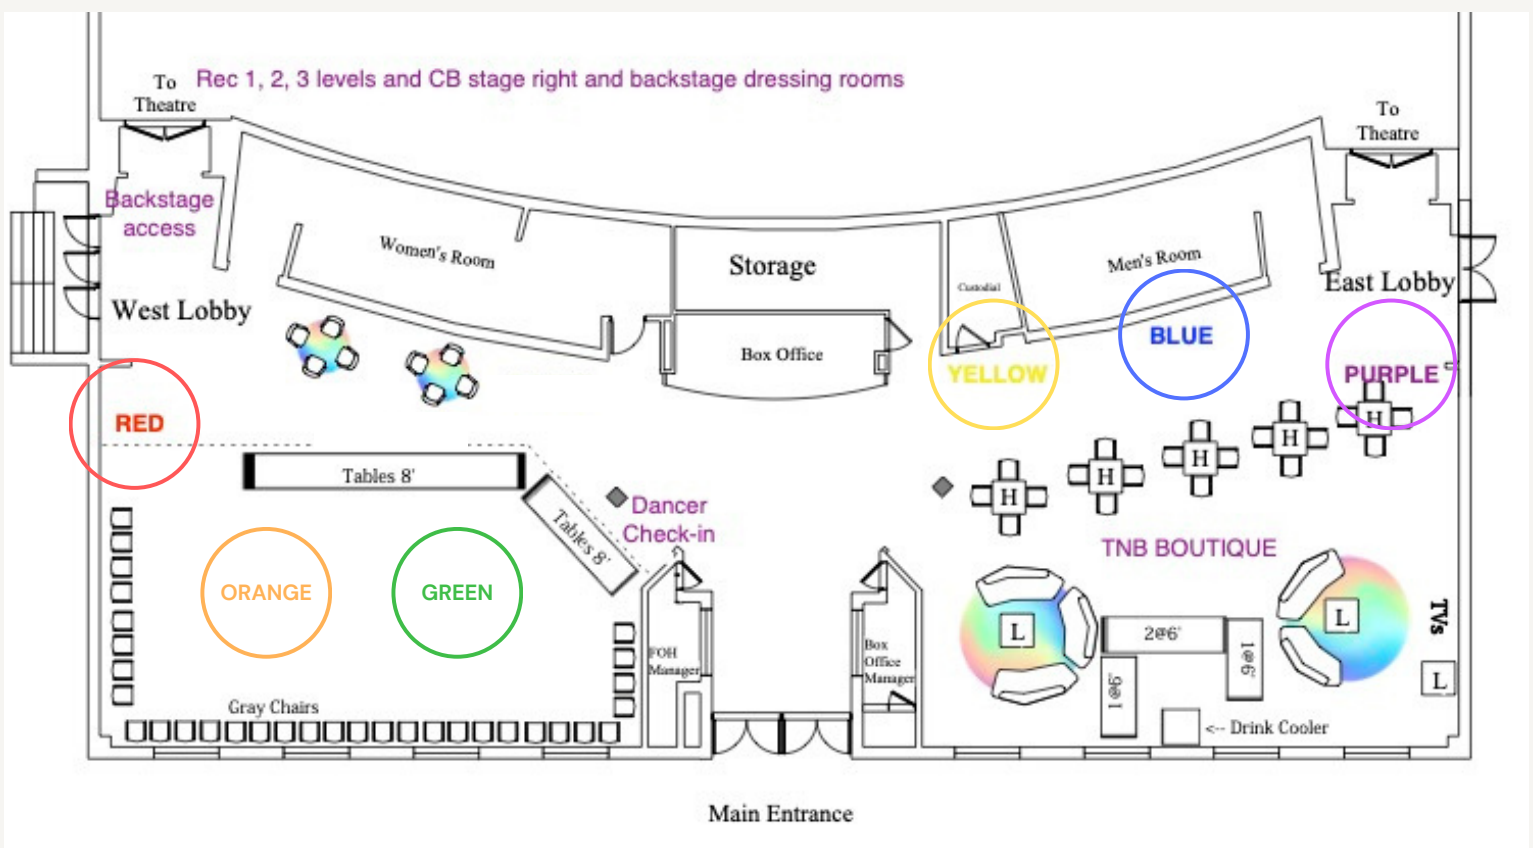

Post-Performance Dismissal:

Remain Seated: After enjoying the recital, please stay in your seat within the auditorium until the color of your dismissal zone is announced.

Proceed to Designated Area: Once your zone's color is called, you can proceed to the designated area indicated by the corresponding color circle on the map to collect your dancer.

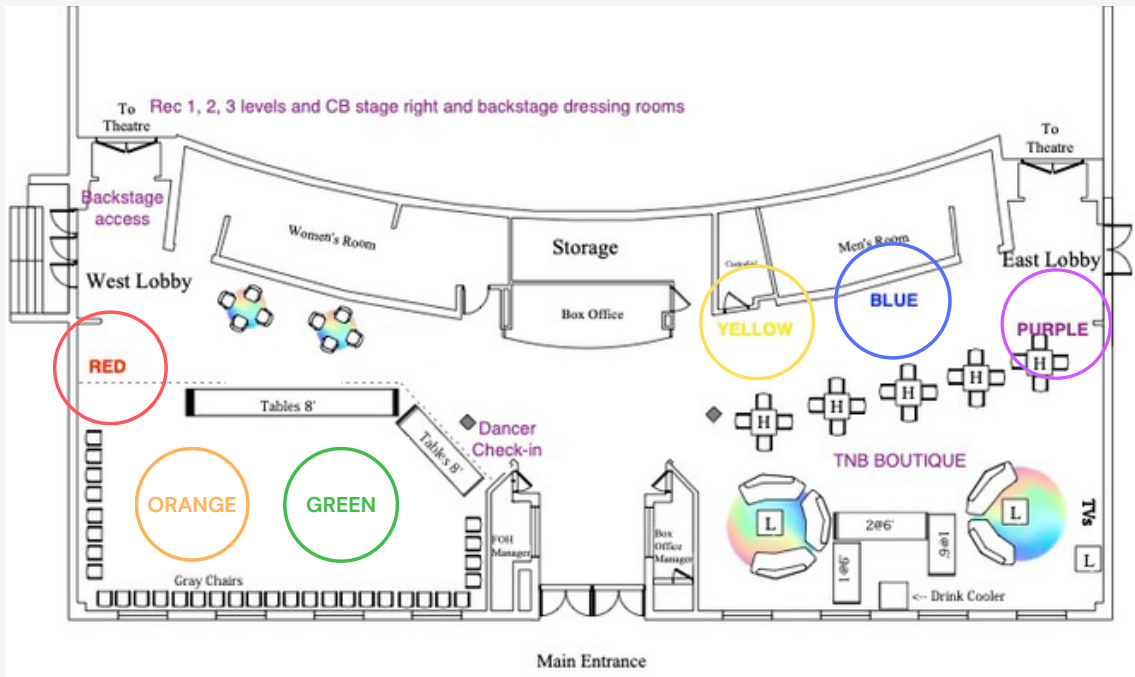

Sticker Presentation: Present your color-coded sticker to a member of the Neighborhood Ballet (NB) staff at the pickup location. This will facilitate a quick and secure dismissal of your dancer.

Lost Sticker Protocol: In case the pickup sticker is lost, please don't worry. We will still release your child to you, though we will implement additional verification measures to ensure their safety.

Stage Makeup and Hair

Does my dancer need to wear makeup for the Recital?

Yes! The lights on the stage are very bright, and the theater is large! All dancers will need to wear makeup, which will allow for their faces to stand out on stage and not be washed out by the lights.

For the younger dancers, we suggest powder, blush, and a lip stain. The older dancers should wear foundation, blush, and lipstick. Eyeliner, eyeshadow, and mascara are encouraged for all ages as well.

How do I style my dancer's hair for Dress Rehearsal and the Recital?

Hair should be as neat and clean as possible. This is a special day, so you should make a special effort to help your dancer look their best!

Creative Movement/Pre Ballet/Ballet/Fairytale Ballet – Hair neatly secured away from face – Bun or Updo
Jazz/Tap/Modern/Hip Hop – Ponytail

Use gel/clips/hairspray to smooth fly-aways so that all dancers have a polished and uniform look on stage. If you have a hairpiece, please also make sure it is very secure so that it does not fall off during the performance.

Shoes and Tights

Jazz and Tap classes will wear light suntan tights or tights that match shoe color.

Ballet classes wear tights that match shoe color.

Additional Reminders

NO underwear or tags, NO shiny clips, NO nail polish, NO jewelry. Hair ties must match hair color. Double knot shoes.

Recital Memories with NB Faculty!

"I think I had my first recital when I was three years old... It made me feel special standing there under the bright lights, and being on stage became my favorite place in the whole world." - Rebecca Crawford Harman

"As a young child, I lived to perform on stage. I loved the recital day because it brought together all of my family and friends. The costumes, the lights, the excitement — that is why I kept going and made a career of it." - Margaret McPherson

"It felt as if time stopped, and the only things in motion were my steps with the music and the fabric flowing behind me. There is a special kind of magic that happens onstage while dancing that cannot be replicated anywhere else." - Rhetta Weeks

"It's hard to name what exactly it was that made recitals so magical growing up, but I do know that I told everyone it was my favorite holiday of the year." - Andie Knudson
